

NU SKIN WEBSITE COOKIE POLICY

Nu Skin uses cookies for certain areas of our website.

Cookies are files stored on your hard drive or in your browser that help to personalise your web experience. For instance, cookies contain information such as users' language preference; so that they do not have to enter this information again the next time they visit the same website. Some cookies ensure that the graphics on a website appear correctly, while others make sure a website application works properly.

The section below describes in detail the categories of cookies that we use on our website, the reason for which we use them, and how you can change your preferences. The cookies used by Nu Skin do not collect personal information and we do not combine information collected through cookies with other personal information to tell us who you are or even what your e-mail address is.

Nu Skin uses the following types of cookies:

Name of the Cookie	Function
ADRUM	Used by Java application to manage flow through an application
__atuvc; __utma; __utmc; __utmz; _qa;	Google Analytics Cookies These cookies enable the function of Google Analytics. This software helps us take and analyse visitors' information such as browser usage, new visitor numbers, response to marketing activity and the amount of time a visitor spends on our website. This information helps us to improve the website and your experience, and to make our marketing campaigns relevant.
loqolink	Used by the US Better Business Bureau to show our current company status
nuskin.account.dashboardUrl	Used for the Back Office Application (non user data)
nuskin.account.data	User data from authentication. This allows the site to remember trivial data such as the logged in user's name so it doesn't have to be looked up with each page load.
s_pers; s_sess; s_vi_aahak; s_vi_bx78hx7Fx7Eybnfx23nbx60;	Adobe Site Catalyst Cookies

s_vi_cxxx7Efdcx20jabola; s_vi_felbxxghx7Fybi; s_vi_irtl666; s_vi_irtl667; s_vi_irtl67x3F; s_vi_irtl700; s_vi_irtl731; s_vi_irtl7x3F1; s_vi_irtl7x3F3; s_vi_jix60ncji; s_vi_x7Fdbzxxx7Fx3Cvx7Dx7Espx7Dx3Cutq;	We use Adobe (formerly Omniture) SiteCatalyst to give us insights into how many people visit our website, and how our users interact with it. These cookies are used to help us to better estimate the amount of individual anonymous visitors who come to our website.
signupApp	Used By Weblogic Application Server to maintain Session
visitor	Tracks Web Site usage (non user data)
NSC_cdbdpo.iuuq	A cookie that tracks the response speed of the user agent (browser to server).
